

Join us for the **1st Annual EMS on the Hill Day** May 3-4, 2010 ■ Washington, D.C.

NAEMT invites you to join with EMS professionals throughout the nation to advocate for EMS as part of the EMS community's first coordinated effort to visit congressional leaders and staff on Capitol Hill. This annual event will:

- Include representation from EMS organizations in all sectors of the EMS community.
- Provide a consistent message to Congress on the key issues affecting EMS and EMS practitioners.
- Encourage and promote broad participation within the EMS community.

The Hotel Palomar in Washington, D.C. has been selected as the official event hotel.

Program

May 3, 2010 (evening) — A pre-Hill Visit briefing will prepare participants for visiting their congressional leaders. All participants will receive Hill Visit Kits and appointment schedules.

May 4, 2010 (morning-afternoon) — Participants will visit the offices of congressional leaders to advocate for key EMS issues.

May 4, 2010 (evening) — NAEMT will host a reception for all EMS on the Hill Day participants, congressional leaders and staff, and federal agency staff.

Please watch for information updates on the NAEMT web site, www.naemt.org.

Mark your calendars now — and be there for EMS!
